G.O. MS. No. 2416 Dated the 22nd May 1953.

Read the following:

From the Collector of Kurnool, No. B.1.11644/52 dated 3-11-1952.

From the Director of Industries and Commerce, No. J.4848/52 dated 5-12-1952.

From the Board of Revenue, B.P.Rt. No. 3150/53 dated 23-4-1953.

O R D E R

The Collector of Kurnool in his letter cited has enquired whether the expenditure on survey, mapping and non-judicial stamps for the execution and registration of the deeds can be met from the deposit for preliminary expenses contemplated in Rule 29 of the Mineral Concession Rules, 1949. He has also requested instructions regarding the procedure for the purchase of non-judicial stamps from the local stamp vendors.

p.t.o.

5/52

The Collector of Kurnool is informed that the preliminary expenses contemplated under rule 29 of the Mineral Concession Rules, 1947 include not only the expenses incurred in connection with surveying, demarcating and mapping, but also expenses for the purchase of non-judicial stamps and incurring of registration charges for the lease deed. As the deposit for preliminary expenses made by the applicants is credited to "Revenue Deposits" and as the purchase of non-judicial stamps is to be made on behalf of the applicants, the Collector can purchase the stamps required from the local stamp vendor meeting the expenditure from the deposit, provided the deposit is sufficient to cover such expenses. If the deposit is not sufficient to cover the expenses for the purchase of non-judicial stamps, the applicants should be asked to furnish separately the non-judicial stamps of appropriate value.
